

77204-LPV

Economy Low Profile Variable Speed Turntable with Toggle Switch Operated Variable Speed Quick-Load Film Dispenser

OVERVIEW

If your wishing to become more efficient get better load security and save material the 77204-LPV has all the features your looking for. These stretch wrap machines come equipped with a variable speed film carriage to move the stretch wrap dispenser up and down and a variable speed turntable. Just load the 48" round turn table, attach the film, set the film carriage's vertical speed and the turntable speed dispenser's stretch wrap tension. While the load turns you can vary the speed as you control the up and down movement of the Quick-Load dispenser with a toggle switch. Increase productivity, optimize film usage and have tighter load security.

★ MADE IN THE USA ★

Ramp option available
